7. PROCEDURES FOR PROCESSING

IMs will determine if change in the EDOS is appropriate and advise all interested users as to the latest EDOS information available. IMs will input a DIC ZJM transaction IAW instructions outlined in appendix B-142 when the updating of an EDOS is required. If no action to change the EDOS is appropriate, IMs are required to input a DIC ZJM transaction to change the NIR Key Code of the item from CF to CC. (See appendix B-143.) This action will be accomplished on a date prior to the EDOS which will ensure that requisitions received within five days of the EDOS will be processed normally through the SAMMS Requisition Edit.
